

PROFESSOR GIOVANNI STANGHELLINI
CURRICULUM VITAE

Giovanni Stanghellini

Born in Siena (Italy) July 29, 1960

Address: Viale don Minzoni 45 – 50129 Florence (Italy)

Giovanni Stanghellini, psychiatrist, is Professor of Dynamic Psychology and Psychopathology at Chieti University (Italy) and Doctor honoris causa in Philosophy and Psychology.

He has written extensively on the philosophical foundations of psychopathology, especially from a phenomenological and anthropological viewpoint.

He is co-editor of the Series *International Perspectives in Philosophy and Psychiatry* (Oxford University Press) and associate editor of the journal *Psychopathology*.

He has founded (with K.W.M. Fulford and J.Z. Sadler) the *International Network for Philosophy and Psychiatry*.

He is Co-Chair to the *World Psychiatric Association (WPA) Section on the Humanities* and Chair to the *Association of European Psychiatrists (AEP) Section on Philosophy and Psychiatry*.

He is the author of the following books:

Verso la schizofrenia. La teoria dei Sintomi-base (Idelson Liviana, Naples),

Ossessione e rivelazione. Riflessioni sui rapporti tra ossessività e delirio (with A. Ballerini, Bollati Boringhieri, Turin),

Antropologia della vulnerabilità (Feltrinelli, Milan),

Psicopatologia della schizofrenia (with M. Rossi Monti, Cortina, Milan),

Anger and Fury. From Philosophy to Psychopathology (Karger, Basel),

Nature and Narrative (with KWM Fulford, K. Morris, J.Z. Sadler, Oxford University Press, Oxford),

Disembodied Spirits and Deanimated Bodies. The psychopathology of Common Sense (Oxford University Press, Oxford),

Psicopatologia del senso comune (Cortina, Milan)

Atlante di Psicologia Dinamica (with A. Ambrosini, R. Ciglia and A. Fusilli, Magi, Rome).
